

Notes

On 6 April 2000 the Government announced changes to tax-free giving. This means that under current rules, 25 pence in every £ can be added to your donation with no additional cost to you.

To the donor there is no change, but the charity can reclaim the tax on your donation, providing you have completed a Gift Aid Declaration.

1. Please notify the charity if you change your name or address whilst the declaration is in force.
2. You can cancel the declaration at any time by notifying the charity. It will thereafter not apply to donations you make on or after the date of cancellation or such later date as you specify.
3. You must pay an amount of income tax and/or capital gains tax at least equal to the tax that the charity reclaims on your donations in the tax year (currently 25p for each £ you give).
4. If in the future your circumstances change and you no longer pay tax on your income and capital gains equal to the tax the charity reclaims you can cancel your declaration (see note 1).
5. If you pay tax at the higher rate you can claim further tax relief in your Self Assessment Tax Return.
6. If you are unsure whether your donations qualify for Gift Aid tax relief, ask the charity. Or you can ask your local tax office for the leaflet on Gift Aid.
